

St Catherine's Park

Directions to Car Park via Leixlip Village

The main landmarks on the left of the N4 before the turn-off for Leixlip are,
Liffey Valley Shopping
Texaco Station / Foxhunter Pub (Lucan turn-off, keep in one of the two outside lanes, left lane is for Lucan only)
Main Newcastle Road Junction
Spa Hotel

Directions to go along with Map below

Travel past all the Landmarks listed above and just after the Spa Hotel is the Leixlip / Celbridge Interchange
Take this Slipway
At top of Slipway is a set of lights, turn right
After about 100 yards there is a roundabout, turn left (old road into Leixlip)
Follow this road past Springfield Hotel and at Salmon Leap Pub road bends right across River Liffey

Once you cross river the main road bends left **but do not go this way. Instead take the right hand turn** just past 'John's Barbers' and the EBS Building Society on the right hand side of the road.

Drive down this road for about 200 yards and the road bends to the left in front of a Fire Station

Just past the Fire Station you will see a gateway with two stone pillars, marked Black Lane. This is the entrance to the Park

Take this road and follow it for about a mile. Along the way it bends to the left and you then continue up a bit of a hill for a few hundred yards until you enter St Catherine's Park.

Just as you enter the Park there is a Car Park on your left.

Soccer Pitches are the far side of a Gaelic Pitch that is beside the Car Park
